Current name:	
Number change:	
Number was:	
Current number:	
Tampering present:	
Restoration present:	
Missing tags:	
Missing patch:	
Inconsistent or excessive wear:	

Comments

Has McAuliffe tag under Wilson (common). Boston has vintage glue on back but #'s do not. There is a lot of staining on front of jersey. Brown with red stains over "N". Appears to have had another patch. Red stain on sleeve as well.
