## Derek Jeter Professional Model Bat

This letter will serve as our opinion of authenticity for the above captioned Derek Jeter professional model bat.

The model number, length, and weight specifications have been confirmed by the available manufacturer's ordering records as being ordered by the player during the referenced labeling period.

**Manufacturer:** Louisville Slugger

**Model Number:** P72

**Labeling Period:** 1991-1997

**Length:** 33.5 inches

**Weight:** 30.7 ounces

**Wood:** Ash

**Finish:** Black

**Description:** Louisville Slugger model P72 Derek Jeter professional model bat shows evidence of excellent use with a handle crack. Several ball marks and ball stitch marks are visible on the front, right and left barrel. Ball marks include blue ink transfers. Also visible on the bat are bat rack streaks and there is a light coat of pine tar on the handle.

**Conclusion:** After a thorough examination of this Derek Jeter professional model bat, and its player use characteristics, it is our opinion the bat is authentic, and was used by Jeter during the referenced labeling period. The bat exhibits medium use and possesses excellent player use characteristics. We have assigned the bat a PSA grade of GU 7.
